ABOUT ME

Dedicated and adaptable ICT student with a strong foundation in web development, system integration, and information systems. Quick to learn new technologies and concepts, with excellent problem-solving skills and a hands-on approach to projects. Known for strong communication abilities, teamwork, and a proactive attitude in collaborative environments. Eager to contribute technical skills and interpersonal strengths to dynamic and growth-focused teams.

EDUCATION AND TRAINING

Myanmar/Burma

● **GED high school diploma** Educatry Academy private school

CURRENT Jyväskylä, Finland

● **Bachelor of Engineering, Information and Communication Technology** JAMK University of Applied Sciences

VOLUNTEERING

02/10/2021 – 04/01/2022 Taunggyi, Myanmar

● **Volunteer Assistant at Family-Owned Gas Station**

Volunteered at a family-owned gas station, where I pumped fuel, assisted customers, and supported daily tasks. I improved my communication skills through regular interaction with customers and learned how the business operates. I also helped record daily sales data, which strengthened my attention to detail and understanding of basic business processes.

03/07/2023 – 06/10/2023 Taunggyi

● **Assistant office worker**

Managed and planned schedules for new classes, Content creation for marketing on social media, welcoming and communicating with guests and parents. Helped marking and grading test papers, interacting with students and participating as a host in education work shop and varieties of sharing sessions.
